

Two magnificent family residences set in rural countryside

## SEER GREEN

This popular village lies between Beaconsfield and Gerrards Cross and these two properties are within walking distance of Seer Green & Jordans station which has the benefit of being on the Chiltern Line with train services to Marylebone having journey times of around 28 minutes.

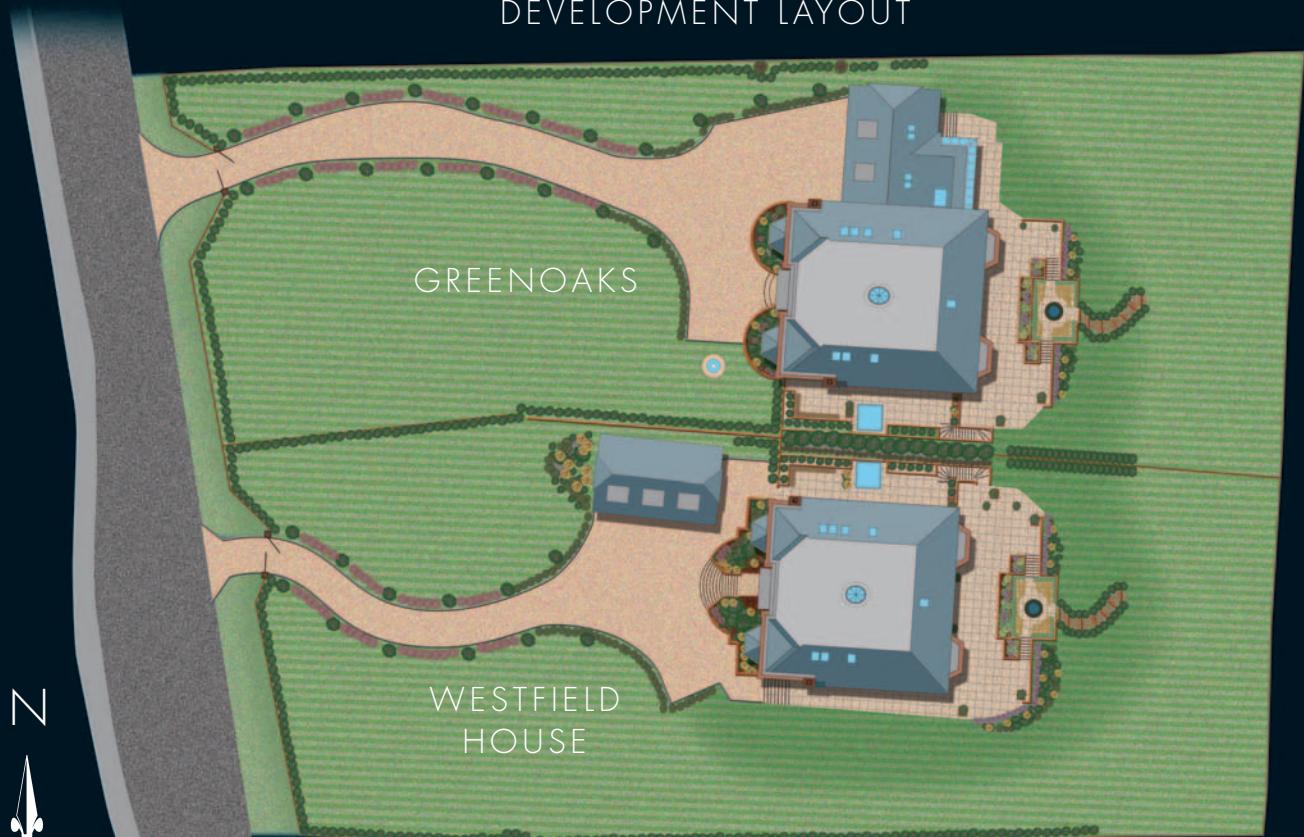

Beaconsfield is about two and a half miles away and access to Junction 2 of the M40 is a similar distance which provides access to the motorway network and Heathrow Airport which is about 17 miles away.

There is a thriving village centre, the focal point of which is the Church and the village boasts two pubs/restaurants, village post office/newsagents, a convenience store for a wide variety of day to day needs along with other shops.

Schooling is an important part of the South Bucks area and the discerning purchaser is spoilt for choice, both in the local and the adjoining towns; notably Seer Green Church of England Primary School, Jordan's Primary School and Beaconsfield High School for Girls. In addition, there is a wide variety of private schools in Beaconsfield or Gerrards Cross.

## DEVELOPMENT LAYOUT

These two outstanding properties sit in exceptionally large grounds of three quarters of an acre and overlook open countryside from which a network of official footpaths provide access to many walks to the wider surrounding area and villages.
